

# What do you think of ETS?

City Council is reviewing ETS in June and TRUE is producing an independent shadow report for council composed entirely of what transit riders have to say about ETS.

Visit [www.true.apirg.org](http://www.true.apirg.org) (and click on “Shadow Report”) or come to our workshop where we'll be discussing the issues and creating the figures. We need your help to write the report.
